Much of the above was paid in money due to the estate in Boston – and on all this 25 per cent was added to make it equal to the rest of the estate.
[How is this?. Was money only 25 per cent. better than pay!? Boston money was compared with the estate (I suppose) as appraised in 1680 – There's nothing to show in what currency the estate was appraised in 1680 – perhaps as money – yet still below money in Boston. I do not understand it.

This account differs from the opposite one; and yet I think it may be correct – do not know. It refers only to children of first wife. (R. D. Smith is often incorrect.) It differs but little from Smith's.

In his will he seems to have but two sons by 2d wife and no daughter. I do not understand what Smith has on opposite side.

Smith is confident that Rev Jos. Eliot had 2 daughters by 2d wife Thought they do not appear in Will. He says

David Ensign, son of the first settler James Ensign

He married Mehetabel Gun Daughter of Thomas Gun, Oct. 22. 1663. Had by her:-

David Nov 16. 1664 — prob. died young.
James —— 1666
Thomas —— 1668
Sarah —— 1672
Mary —— 1674 5

Thos Gun of Westfield in his will 1676 mentions 4 children of dau. Mehetible Ensign. These were four & no more. Westfield p. 214

He conducted badly & had criminal intercourse with Sarah Long, wife of Thomas Long. (She was Sarah Wilcox, d. daughter of John W. & Sarah Wadsworth.

Con. 6 p. 56 Thomas Long obtained a divorce from his wife at October Court 1681. He married 2d wife

Con. 6. 59 Mehetabel Ensign obtained a divorce from her husband at October Court 1682. She subsequently married Isaac Shelden Sr. of Northampton & had a son Jonathan (my father's maternal grandfather.)

The guilty men & woman David Ensign and Sarah Long seem to have been married & to have had children — He seems to have

Con. 4. 141 repented & become a member of the church.
David Ensign had a son David baptized Oct. 10. 1688

Con 4. 345. David Ensign senior was a member of the church in West Hartford in 1714

Con 4. 345. David Ensign Junior was a member of the church in West Hartford 1714 and had children baptized
David 1716, Elizhalit 1718, David 1727 Datis 1729
Jemusha 1731. Ezekiel 1733.

Nathaniel Goodwin Esq. says David Ensign senior died Dec. 17. 1727. — must have been over 80.

In 1734 Sept. David Ensign of Hartford sold land in Middletown — also his interest in land undivided on west side of river, "that came to me from my honored mother, Sarah Wilcox, alias Sarah Ensign deceased."
In same year month, Jonathan Moore & his wife Hannah of Simsbury sold to David Ensign of Hartford their interest in lands in Middletown "that accrued to them in right of their honored mother Sarah Ensign, late of Hartford deceased."
Joseph Long also sold his land to his "brother David Ensign" of H.
It appears from these deeds, that David Ensign senior had by Sarah Long two children at least, David & Hannah. P.S. Hannah was Hannah Long, not Ensign. says N.G.

Con 4. 142 2. 64. James Ensign, son of David, married Lydia Baker 1690 and had children

Con 4. 143 2. 61. Thomas Ensign, son of David, married Hannah Shepard 1692 and had children

Corrections:
David Ensign Jr. seems to have had by Sarah Long only one child, David, baptized Oct. 10. 1688. (or 1689)
He lived in West Hartford some years, & has a stone in W. H. burying ground, which says he died Dec. 14. 1727. in his 62d year.
The Son David has no record in Hartford or Colchester of his death
He died Dec 5 1759 aged 70 years 8 months — of course born about March 1689. The Baptism seems to be in 1688

Joseph Long, conveyed to his "beloved brother David Ensign" of Hartford Aug. 2, 1734, his right to land in Middletown, on the west side of river (Co. "being ¼ part of the undivided land formerly belong to Sarah Wilcox, alias Long, alias Ensign of said Hartford." Consideration 14£.

The David Ensign (Jr.) m. Hannah Smith dau. of Simon Smith May 16, 1709. She died Nov 4, 1719 & he married Sarah Moody April 29, 1726 Had 5 children by first wife and 5 by second wife.

Con. III. Anne Foster, dau of Rev. Isaac Foster of Hartford only child, born about 1682. She married Rev Thomas Buckingham of Hartford Nov 29. 1699 — had children Isaac b. born Sept 25 1700, died young; Joseph born Aug. 7. 1703; Ann b April 12, 1706, died young. Rev Thomas B. died Nov 19 1731 Only son Joseph died Nov. 29. 1760. A dispute about her estate between his mother Anne Burnham (she married a 2d husband, Rev William Burnham of Kensington) and the Buckinghams of Milford. See Denman p. 374. Con. 5. 272.

Widow Anne Burnham lost her case in Courts, but still had a large estate. She made her will Aug 23. 1764 and it was proved July 25 1765. She died probably in 1765, aged 82 or 83. She gave a silver tankard to first church in Hartford. She gave much estate to her kinsman, Joseph Church, of Hartford. She manumitted her slaves after her decease, viz. Cato, Paul, Prime, Zipporah & Nanny. [From these slaves, Cato, Paul & Nanny, had belonged to her son Joseph, & he had tried to free them in his incomplete will, on condition they should be kind to his mother during her life. It was suggested when he made his will that the gift of freedom in future was void, referring to Mr. Allen's negro at New Haven.] She gave Cato & Prime some land & also some to Paul and 10£ each to Zipporah & Nanny.

She gave some estate to kinswomen, Anne Goodrich Elizabeth Fleet, & Elizabeth Lennon who lived near Boston; to the children of her kinswoman Sarah Jackson, dec, near or in Boston; to her kinswoman Abigail Church of Hartford; & to her kinsman Joseph Church, & to Mary Caldwell — these 7 had one share each of the estate left. Joseph Church executor.

She gave July 7. 1762. to the S. Cong. Church and Society in Hartford, a deed of the house & homestead where she dwelt, 4 rakes, Daniel Sheldon S. highway E. & W. Aaron Bull W. Heirs of Joseph having given by his unfinished will this property to the S. Society after her decease;

Her second Husband Rev. William Burnham died 1750 Sept 23. aged 65

Rev William Burnham had 2 slaves one a Spanish Indian woman Maria, and a Mulatto boy James. The latter was not freed — the former was probably old & decrepid, & might live with any of his children & they to support her.
